LA MEZCALERIA PARIS

EDITO

For many of us, the creation of a menu is the best way to show others what we are capable of.

Thanks to La Mezcaleria, Embassy of Mezcal in Paris, we share our creativity with our beloved clients today. When they are receptive, when they flatter our egos by posting beautiful pictures of our drinks, well... that's everything. #cocktails #secretbar #instadrink #mixobullshit.

During the first kickoff meeting for the creation of this menu, I invited lots of different people and we had a pretty varied discussion about what could potentially come of this project... nothing formal. Among the guests, there was a chef, a restaurant owner, a photographer, a fashionista... and customers.

Most of them were (not really) interested in brainstorming about this menu project. The conversation quickly turned to topics that fascinated them more, such as cooking, cinema (especially adult films), fashion, photography, etc... simply put, the worlds in which they move and evolve.

WTF... (to understand what this mess is about), was the the main thought I had during this meeting. To take everything that these people had to say about the world, and to turn it into a means of communication that celebrates talents, especially those talents that make us forget the bad things in life.

WTF menu, is also a way to communicate about the people and brands that have supported us along the way.

FAUSTO TATTOO

INTERVIEW « UNDER MY SKIN » BY B.TYLER

THE COMMON FACTOR LINKING A TATTOO ARTIST AND A WRITER IS ... INK. FAUSTO BEGAN AS A WRITER, BUT TODAY, WHAT WE ARE GOING TO ASK HIM ABOUT IS LIFE AS A TATTOO ARTIST, AND HERE ARE HIS ANSWERS.

LOVE UNDER MY SKIN OR INK UNDER MY SKIN ?

No dilemma. Sorry. Ink is love.

TATTOO ARTIST OR WRITER ?

Always a poet. Prose restrains metaphor and synesthesia. It is unrealistic, strung out on rhetoric. Whether it is skin, voice or paper and pen: poet.

IF YOU CAN CHOOSE YOUR BEST PLACE TO MAKE A TATTOO...?

A shapely female leg, from ankle to hip.

BUTT TATTOO OR PUSSY TATTOO ?

Pussy! Pussy!! Pussy!!!

JOSÉ VASCONCELOS OR CELINE ?

May my homeland forgive me, but Celine, no doubt...his narrative is vital to the point of elation; Vasconcelos was bright, but timid.

MAYAWEL OR FIERCE JAGUAR ?

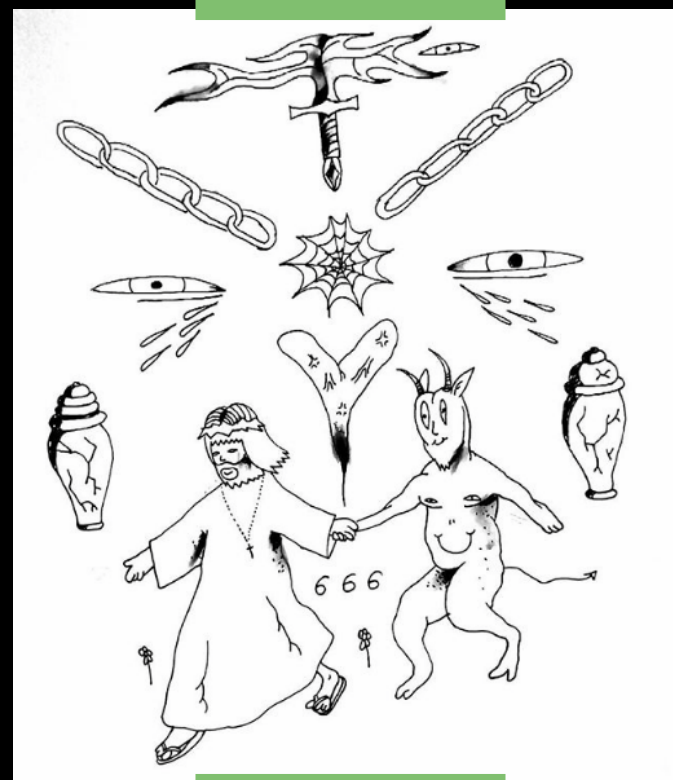

Jaguar, but taking a nap, by a river in the Chiapas jungle.

LOVER OR FATHER ?

Poet.

PARTY IN MEXICO CITY OR CHILL IN PARIS ?

So lucky we have airplanes. This is an impossible equation

CARLOS MORENO

INTERVIEW BY B.TYLER

HE IS THE MEZCAL GUARDIAN ANGEL, HE CREATED THE FIRST 100% ORGANIC MEZCAL AND PROVIDED JOBS TO MORE THAN 30 COMMUNITIES. HE SUPPORTS THE PROJECTS OF HIS EMPLOYEES.. AND THE LIST IS VERY VERY LONG. I HAD THE CHANCE TO SPEND A FEW HOURS WITH HIM.

HI CARLOS, TELL ME, WHO ARE YOU ?

I'm a businessman who started Koch, the artisanal Mezcal of Oaxaca, 9 years ago. Our goals are to protect and defend the traditional Mezcal of our Oaxaca communities, and to reduce the number of people that abandon their fields to cross the US border. I'm free and independent, not just as human being, but also as a Brand & Project Manager, and I am also just trying to bring friends together.

HAVE YOU ALWAYS BE IN THE MEZCAL BUSINESS ?

Our family has, yes. My nuclear family moved to this city and then the mezcal found me 9 years ago!

WHAT IS YOUR FAVORITE AGAVE ?

Just yesterday, I thought it was tepextate, today, it is arroqueño... This is a hard question actually and I'm always asking myself, but the truth is that the answer is still to find. I'm like a Oaxacalifornia chapulín (grasshopper) jumping into the agaves.

WHAT CAN YOU TELL US ABOUT YOUR BRAND ?

It is not just a brand. When we started it was not officially registered, 'cos we were (and we still are) a life project. We love to represent real, legitimate Mezcal, our culture, and the new vision to make fair business.

APART FROM YOUR OWN MEZCAL, WHICH ONE YOU LIKE THE MOST?

Any hand-crafted Mezcal or any ancestral one which is properly done!

to try different combinations without caring about prices

THERE IS A RUMOR THAT SAYS YOU HAVE OPENED A BAR IN OAXACA, IS THAT TRUE?

Yes, I was sad to see all this great people coming to Oaxaca and struggling to find the right place, and also local people who find it difficult to have a good place where they can drink different types of agave for a fair price. My goal with this bar was to allow people to try different combinations without caring about prices, with every wild agave at one fair price.

CAN YOU GIVE US FEW SPOTS TO VISIT IN OAXACA ?

In situ, casa Oaxaca, criollo, the palenques around Oaxaca! The market !

ARE YOU A COCKTAILS DRINKER? IF YES WHAT DO YOU LIKE TO DRINK?

Yes, now! Being honest I used to be just a Mezcal drinker, a purist, but the very good work of one of my friend in Paris has make me change my mind, and now I see the beauty in a cocktail glass! Here in Oaxaca any day is the occasion for a fresh drink and I really appreciate more and more the Negroni, but with Mezcal, or maybe I'm just alcoholic **HAAAAH !**

RABGUI

FISH EYES INTERVIEW BY M.KERNOA

RABGUI IS A DJ, A DANCER, BUT PREDOMINANTLY, HE IS A PHOTOGRAPHER. HIS «STRIKING» STYLE FASCINATES US AND EVEN MESMERIZES US. RABGUI SIGNS HIS PHOTOS WHILE CAPTURING THE PRESENT INSTANT. WHETHER IT'S URBAN, ARCHITECTURAL OR IN THE STREET... THE MESSAGE IS ALWAYS CLEAR.

COULD YOU GIVE US RIGHT NOW A PRESENTATION OF YOURSELF IN 10 WORDS OR LESS ?

Way too complicated, go on my Tinder bio.

IF YOU RELEASED AN ALBUM, WHAT WOULD THE COVER LOOK LIKE?

A sunset photo with beautiful pinks, oranges and purples, and I will add a small detail that only my closest friends will know about.

WHAT IS YOUR FAVORITE WEATHER FOR TAKING PICTURES ?

A cloudy sky at the end of the day. For example, in May, people should really pay attention to the sky between 8:30 pm and 9:00 pm.

«Go on my
Tinder bio.»

WHO WOULD YOU LOVE TO TAKE A PHOTO OF ?

Me, but I admit it's too complicated. We need to invent cameras on phones where we can see each other directly... (maybe I am on to something right now?)

YOUR LAST PICTURE?

The landscape below.

SELFIE ... OR FISHEYES ?

Definitely fish-eye.

NUDE ... OR "STOLEN" PICTURES?

Stolen pictures (follow @justeicitoutvabien) it's my non official photography project. I try to show only the best part of people... kind of like photo-therapy. <http://instagram.com/justeicitoutvabien>

IN THREE WORDS, CAN YOU DESCRIBE YOUR STYLE ?

Human, Passionate, Musical.

CAN YOU GIVE US SOME INFO ABOUT YOUR NEXT PROJECT?

<http://instagram.com/justeicitoutvabien>, highlighting the unknown. I'm really tired of seeing the extreme use of selfies, so I try to make people understand that they are more beautiful when they don't think about their photo. And I go to meet them and offer them the photo of this precious moment.

TO CONCLUDE, TEQUILA SUNRISE OR BEER AND MEZCAL ?

Beer and Mezcal (which I discovered at 13 Boulevard du Temple).

Passionate
Musical »

CHHOTI MAA

INTERVIEW «I GOT FEELING» BY YOUSS.D

CHHOTI MAA IS A POWERFUL HIP HOP ARTIST FROM GUANAJUATO, MEXICO. IT WAS THANKS TO HER ALBUM AGUA CORRE THAT I DISCOVERED THE POWER OF CHHOTI MAA. CHHOTI MAA ALSO TEACHES POETRY, CREATIVE WRITING AND MUSIC PRODUCTION. WHILE CHHOTI'S VOICE IS BEAUTIFUL AND SOOTHING, HER LYRICS HIT HARD.

CAN YOU INTRODUCE YOURSELF IN 3 WORDS AND ONE COCKTAIL ?

Sensitive, creative and inquisitive. I love a good mezcal with honey, tamarindo and spicy powder.

WHAT IS THE FIRST RECORD YOU BOUGHT ?

The first record I bought was Off the Wall by Michael Jackson.

WHAT TRACKS DO YOU LISTEN TO WHEN YOU WAKE UP ?

Right now I am listening a lot to Ibeyi, Capoeira Angola songs, Ohio Players and Vicki Leeks by MIA. I also love the work that Starboy has been making.

RAGE AGAINST THE MACHINE OR RAGE AGAINST MONSANTO ?

Rage against Monsanto, which has now merged with Bayer. So rage against manufactured highly processed food and corporations that want to make food a commodity.

STUDIO OR CONCERT ?

Both are equally magical and crucial to the process. Recording is a slow intimate process, like cooking a good soup. I like for the space to have almost no light, darkness helps me focus on the sounds. I also like to work with a small group of people. Recently I have had the privilege of working with beto guapoflaco and Keith Hernandez. The new project we've been working on, Caldo de Hueso, was made in dimly lit spaces from November 2016 until this spring.

I also I love the energy that is created in a performance. The call and response, the warmth, it is like a sonic power sphere that helps support community. Its wild how a vibration from our bodies can call people to gather, to think and to reimagine.

RAYSHELL OR LA SQUINKLA ?

Love to both and a shout out to my friend Dio Ganhdih and Mare Advertencia Lirika who are also fantastic rappers.

YOUR DREAM ?

I hope that one day I get to peacefully live in a place with garden space to grow my own food, drink tea with Erykah Badu and honor the work of Jose Alfredo Jimenez through a tribute album.

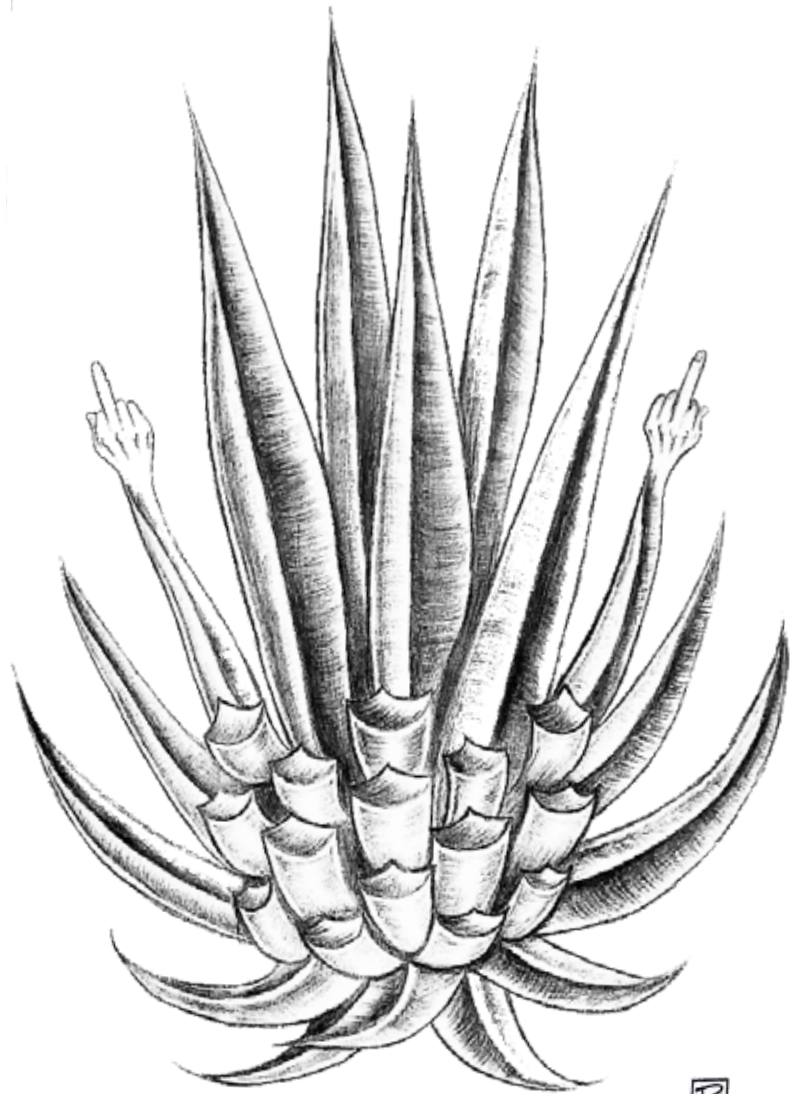

« Sensitive
Creative and
inquisitive »

WHERE CAN WE FIND YOU ?

I am on all social media as Chhoti Maa (Instagram, Facebook, Bandoamo, Soundcloud, Songkick, Bandsintown, Twitter)

LAST WORK, TEQUILA OR MEZCAL ?

SAINT DENIS STORE

INTERVIEW «I AM NOT COCO» BY ALIA DUNK

YONI HAS BEEN IN THE FASHION BUSINESS FOR OVER THAN 15 YEARS NOW, AS A MANAGER FOR SEVERAL BRANDS SUCH AS HOMECORE. PASSIONATE ABOUT FASHION AND DESIGN, HE FOUND HIS INSPIRATION THROUGH TRAVEL AND URBAN CULTURE. SAINT DENIS STORE IS THE FIRST CONCEPT STORE IN THE FAUBOURG SAINT-DENIS AREA AND, FOR ME, ONE OF THE BEST SHOPPING SPOTS IN PARIS.

THE FIRST PIECES OF CLOTHING YOU REALLY REMEMBER ?

It was in 1994, and it was a big HOMECORE hoodie, 380gr, which for me really represented the hip hop culture of that era.

THE FIRST SNEAKERS THAT MADE A MARK ON YOUR SHOE CLOSET ?

It was a pair of Converse I wore to play basketball, a shoe that rocked the times ... it used to cost around 680 francs! Quite a lot back then, but the shoes was crazy, it was so worth it! I had to save money for 3 months to be able to show off on the playground... ;)

LOW WAIST JEANS OR JOGGERS ?

Without hesitation the 2nd option. If I could I will be in Joggers all the time, just to see the funny fake smile on my banker's face when he saw me arriving, full on in his face like a Kaira.

YOU ALSO SELL ITEMS AT SAINT DENIS STORE, TO WHAT EXTENT DO YOU LOVE THESE OBJECTS ?

When something is beautiful and well-made, honestly, I can fall in love with something as simple as a pocket knife, a candle holder, an hourglass ... I'm a fan of Japanese craftsmanship, they never do anything half-heartedly... it's a question of honour, a kind of Samurai Philosophy that does not leave anything less than PERFECT !

GOD SAVE STREETWEAR OR GOD SAVE HAUTE COUTURE ?

God Save all people that want to get things done and moving in the right direction ... There is good and bad in the Streetwear industry just as there is good and bad in the Haute Couture industry... The important thing is the conviction and the love that we put in ... Just like your cocktails.

SHOPPING IN PARIS OR IN TOKYO?

Both...window shopping in Paris and real shopping in Tokyo ... I'd bring back bags full of small goodies !!!!

YOUR MOST BEAUTIFUL PIECE?

A 501 LEVI'S made in France but dating back the early 90s... I never get tired of admiring them !

SOMETHING THAT WE CAN ONLY FIND AT YOUR PLACE ?

The official SAINT DENIS STORE candles collection... made with mint lemon and basil ..we are the only one to have the recipe, so it's a bit like our Coca Cola.

«Window shopping in Paris and real shopping in Tokyo»

WHY DO WE HAVE TO COME BACK TO SAINT DENIS STORE ?

To have a nice fresh beer after work, around 7.30 pm ... and of course to talk about clothes, rags & riches.

FINALLY, MEZCAL AND BEER OR MARGARITA WITHOUT SALT ?

Without hesitation Mezcal and Beer.

ARMANDO PINEDA ORTIZ

INTERVIEW FISH EYES BY Q.LaMY

FAUSTO (THE TATTOO ARTIST) IS THE ONE WHO INTRODUCED ME TO ARMANDO. BY COMPLETE COINCIDENCE, I ALREADY KNEW SOME OF THESE VIDEOS, BUT NOT THE NAME OF THE PHOTOGRAPHER. HERE IS THE MEETING WITH ARMANDO PINEDA ORTIZ, A STREET PHOTOGRAPHER WITH POETIC EYES.

WHERE DID YOU GROW UP ?

Mexico City.

REPORTER OR PHOTOGRAPHER ?

Photographer.

DO YOU CAST ANYONE OR JUST WALK UP AND SAY HELLO ?

Both, but I prefer not to say anything and steal the moment with a smile.

WHAT IS A GOOD DAY FOR YOU ?

A good day starts with sex and a good coffee and finishes with sex and a good shower.

WHO IS EL DIABLO ?

El diablo is the storyteller that lives in our minds telling us lies, what is right and what is wrong, what is beautiful and what is not.

THE PICTURE OF YOUR DREAMS ?

A Portrait of the Dalai Lama meditating at the Potala Palace.

CAN YOU TALK ABOUT YOUR NEXT PROJECT ?

A documentary about a guy who survived a car accident. The doctor said he wouldn't live and if he lives he would never walk again. He is living, he is walking and founded an organization to help others with long term disabilities.

WHAT IS YOUR FAVORITE WAY TO PHOTOSHOOT?

I love street photography, so for me the best way to photoshoot is to go outside, walk around, make a stop and shoot.

WHO IS GONNA BE YOUR NEXT NUDE MODEL ?

Hopefully my fiancée

HOW DO YOU LIKE YOUR MEZCAL ?

Young, and of course with orange and worm salt !

Thanks Armando
