Célébrez a ceremony

At the Heart of nature

Celebrate your wedding in the heart of nature in a bucolic surrounding .

Your wedding reception

Sharing of emotion

Welcome your guests and enjoy your wedding cocktail on our beautiful terraces.

Only one wedding is celebrated per date. All our reception areas will be dedicated to your event and your guests.

Ranging up to 350 sqm, our different areas, filled with natural light will satisfy all your desires.

Make the most beautiful day of your life possible.

Restauration

Menu and wines

Our Chef Benoist Rambaud and his team offer a wedding menu focusing on quality products combined with extensive culinary knowledge and skill. The chef's cuisine is a perfect blend of French and world flavours, a real delight for your guests. The wine will be carefully selected to accompany your dishes.

Rooms and Suites

Elegance and comfort

Our 108 rooms and suites, reflect the surrounding nature and the history of our hotel.

Your guests will be greeted with care and will extend their stay and enjoy with you every moment of the most beautiful day of your life.

Special offers are available for them. You will rest in a bridal suite, chosen by us, which is offered you.

Our wellness area

Relaxation and re sourcing

Enjoy a complimentary access to our leisure facilities: indoor heated pool, Jacuzzi, fitness room and outdoor tennis court.

Our suppliers

Quality and trust

Thanks to our event organization experience, we have selected some service providers, famous for their professionalism.

To help you, we always suggest you each of them : floral decoration, professional photographer, make-up and hairdressing, babysitting...

You are able to choose them or free to have your own service supplier from your own contacts.

The day after ...

The brunch

Extend your celebration the day after your wedding around a family and friendly brunch, surrounded by your loved ones.
