1. BEAT THE BOX

It all begins with a mysterious video message in which a chilling voice challenges the participants to a game. The different teams have only a pre-determined amount of time to crack a special code, which stops the countdown. To win the game, the code must be entered in to an electronic combination lock before the timer reaches zero.

2. IBUILD

As a team you have to build an exact copy of the original model, that only part of the team can see. The goal is to build a model from very simple elements within a limited amount of time, with as few errors as possible. To successfully complete this task, they must discuss a good communication strategy to 'indirectly' convey the right information. Quite a challenge!

4. LEVEL UP

The aim of this frenetic game is simple...score as many points as you can before you run out of time! In this game of strategy, teams have to complete 5 increasingly complex levels of tasks and challenges, but the harder the challenge the more points it's worth!

Team strategy is the key to winning this challenge; will your group opt for a multitude of easy challenges, or work together to solve the higher value more complex questions? All whilst racing against the ticking clock.

This high energy challenge will help participants master delegation, time management, strategic planning and explore team working skills. Most importantly teams will have loads of fun and feel motivated.

8. 'HET ANKER' BREWERY VISIT

A unique and authentic taste experience awaits at the internationally acclaimed Het Anker Brewery, one of Belgium's oldest breweries where old and new meet.

The old recipes still provide the basis for the beers which are given their distinctive taste with a variety of hop and botanicals.

You'll also be able to take a look inside the distillery where the Gouden Carolus Single Malt is produced, a popular whisky by a Belgian brewery.
