Maison Albar– Amoure **a Luxurious Estate 45 Minutes from Porto**

Centaurus group announces its new property, Maison Albar - Amoure, set to open in 25 June 2024 near Braga (Portugal).

Maison Albar Hotels is expanding its collection and welcomes you to its estate in Portugal named Maison Albar - Amoure. Located less than an hour from Porto, in the small village of Moure (near Braga), Maison Albar - Amoure offers an immediate disconnect that complements the urban experience of Maison Albar - Le Monumental Palace (Porto). The idea of creating a complementary experience outside the city emerged from the very first visit to this sumptuous 26-key villa.

Welcome to [Maison Albar – Amoure](#).

Each room is unique, [every detail has been tailor-made](#).

DOMUS CONCEPT, an architecture firm based in Lisbon, was given carte blanche to create the country estate of their dreams. From your very first steps onto the property, the impressive façade, landscaped gardens, and immense, bright spaces opening onto the natural surroundings promise you an unforgettable stay.

Maison Albar - Amoure has 26 keys, all leading to unique residences. Its 11 suites and 15 rooms, with an average area of 43 m2, were custom designed to make you feel at home. With its Art Deco inspiration, exclusive materials, modern furnishings and spectacular views of the lush green hills, each detail was carefully studied to make the entire villa warmly luxurious.

Culinary arts, at the heart of the Amoure experience

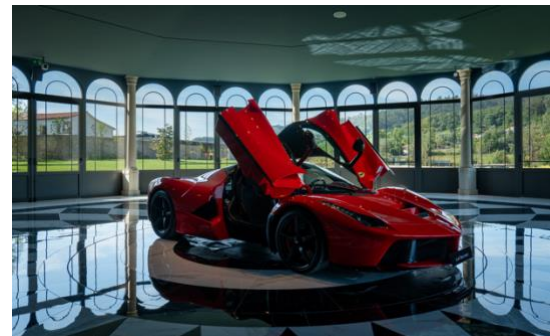

Maison Albar - Amoure is a venue for sharing and appreciating gastronomy. Julien Montbabut, the French starred-chef of the Monumental Palace sees it as a place where he can express himself in the heart of nature.

The bistronomic restaurant **L'AMOURE** is a haven of conviviality. Julien Montbabut and his executive chef, Marco Silva, who hails from just a few

kilometers away from Maison Albar - Amoure, bring a modern twist to traditional regional dishes using local ingredients. L'AMOURE aims to be friendly, generous, and decidedly modern.

Like the speedometer measuring the revolutions per minute in a car, the **R.P.M** (Revolutions Per Minute) bar is designed with curves, dynamism, and power in mind. Resembling a grand rotunda with a central rotating round platform, it is the perfect venue for major events such as luxury car presentations or fashion shows. Luxury meets nature here, with exceptional views of the region's hills. The wine list is local and exclusive, and each cocktail is a work of art crafted by our mixologists. R.P.M is the ideal place for professional meetings, public events, or celebrations.

The **BIBLIOTECA**, a more intimate space, is the heart of Maison Albar - Amoure, where heritage meets contemporary. Here, you'll discover local dishes and artisanal drinks. It's also a tea lounge where even the most epicurean guests will be delighted by discoveries.

Start your day with breakfast offered in the bright **AURORA** lounge, named after the brilliant pinkish glow that follows dawn and precedes sunrise.

The 'farm to table' philosophy is central to all of Julien Montbabut's creations, with a special focus on local and seasonal products carefully selected from producers to showcase all the flavors that Moure has to offer.

Wellness, the ultimate place-to-be

Signature of the Maison Albar Hotels collection, well-being is also at the heart of this exceptional residence. The 244 sqm Spa Amoure offers you an ultimate escape with its 2 treatment rooms, sauna and hammam, fitness room and two pools, indoor and outdoor.

A tailor-made reception venue

Thanks to its magnificent salons spanning 713 sqm, including a 600 sqm ballroom, and the vastness of its garden, Maison Albar - Amoure hosts the most prestigious events with all the elegance for which the Maison Albar Hotels collection is known. Art enthusiasts or automobile aficionados will gather during vernissages or exhibitions showcasing remarkable works of art and collectible pieces.

Maison Albar - Amoure also offers an ideal setting for private events, whether celebrating with loved ones or hosting professional gatherings. Customized to perfection, every detail is meticulously curated to create memorable experiences, whether for intimate gatherings or grand receptions up to complete privatization.
