DOMAINE DE LA CORNICHE

HISTORY OF OUR SPA

Spaquana, the Domaine de la Corniche Spa

The Sequana (Latin for Seine) meanders its way through the Domaine de la Corniche, its gentle curves and calm current. Spaquana was born from the contraction of "Spa" and "Sequana", and has been designed to create a haven of well-being and relaxation around the Domaine.

Opened in 2013, Spaquana is bathed in greenery, right in the middle of nature, to immerse you in a bubble of relaxation.

The Spaquana team is made up of our Spa Manager Eugénie Declunder Jean Baptiste, who worked at the Fouquet's Barrière spa on the Champs Elysées, to offer you excellence in terms of both treatments and the welcome you receive at the spa.

Then you'll have the pleasure of meeting the luxury assistant spa manager Samira, the brilliant Cinq Mondes training relay and head of treatments Marine, the delicious Alexandra, the exquisite Tiphanie, the perfect Alexia and all the rest of the team.

Together, they'll take you on a journey through their gentle, firm hands to provide you with a lovely interlude of relaxation.

You'll find all the facilities you need - pool, hammam, sauna, whirlpools, relaxation room, gym - for a holistic approach to wellbeing, detox and fitness.

We look forward to welcoming you to Spaquana.
