Customize your treatment by choosing the different options:

Need a booster? Intensify the effects of your treatment with super serums, adapted to each skin problem (skin aging, superficial acne scars, spots, etc.).

By choosing the Platinum option, you will love lymphatic drainage! Known to detoxify the skin and reduce inflammation, it prepares the skin for treatment and promotes skin regeneration.

HydraFacial® also treats the most sensitive areas of the face thanks to the Perk Lip and Perk Eye treatments: Hydrated, soft and subtly plumped lips. An illuminated and deeply hydrated eye contour.

Each treatment includes a LED Therapy session, adapted to your needs.
