

TRAINING CAMPS & WELL-BEING

SUMMARY

FIELD

FITNESS CENTRE

WELLNESS AREA

Football field

Martin's RED offers sports clubs high-quality facilities tailored to the needs of both professional and amateur teams. In total, eight fields are available, divided into three different categories:

- 5 natural grass fields (3 natural and 2 hybrid), perfectly maintained, ideal for training and matches in optimal conditions.
- 2 synthetic fields, available year-round, regardless of weather conditions.
- 1 covered field, perfect for ensuring continuous training in case of adverse weather.

For pricing information, please refer to the details available in the section:
"Martin's Red – “ Want to know more? ”

- Natural field
- Synthetic field
- Covered field
