# SCRIPT YOUR FOREVER AT HOTEL BOWMANN, PARIS

*Elevate your nuptials at this chic Parisian property that effortlessly bridges tradition with innovation.*

The city of lights and romance makes for one of the most stunning settings in the world. So, it comes as no surprise that Paris tops the wishlist of couples looking to tie the knot for a dreamy destination wedding. With the majestic Eiffel Tower, the meandering Seine River and charming bakeries and cafes dotting the sidewalks, Paris is evocative of romance at every corner. Apart from the destination, it's just as important to find a venue that matches up to your wedding mood board and the luxe setting you've envisioned for your big day.

Hotel Bowmann isn't just a chic Parisian property but holds pride in being a historic hotel in one of the most prime addresses in the city, located between Opera and Champs-Élysées. You have a choice of 48 elegant rooms and 5 spacious suites including our Penthouse Bowmann with a 360° view of Paris, each paying homage to the city's rich architecture and heritage, combined with all the modern comforts. The Haussmann-style building beckons with its elegant facade, Carrara marble accents, original fireplaces, royal chandeliers

and traditional French craftsmanship, melding with contemporary design - making it an ideal pick for a wedding. It's also apt for an intimate celebration.

## THE SETTING

Tailor-make your dream nuptials with the help of the hotel's experienced team, that can guide you with choosing the right venues, the decor, and even putting together that perfect proposal with champagne, chocolates, flowers, balloons and the works. The rooms and suites at Hotel Bowmann are all about relaxed luxury, complete with luxe linens, plush beds, walk-in rain showers, crystal chandeliers and gilded detailing, combining the best of French living with modern comforts. The Baron suite is tastefully done up with colourful accents reflecting the quintessential French art of living while the Prestige Eiffel suite is a modern boudoir offering panoramic views of the Eiffel Tower and is a nod to Parisian glamour. Guests at the hotel also have access to an indoor swimming pool, hamam, jacuzzi and sauna.

## THE VENUES

The hotel is home to several elegant spaces that work well as wedding venues. Take your pick from the restaurant-bar 99 Haussmann, perfect for a sit-down meal, a welcome luncheon or even an evening tea affair. It has a patio attached accommodating up to 40 people, while the restaurant can accommodate an additional 50. For a cocktail soiree or floating reception, the restaurant can host up to 90 people, while the patio can accommodate about 55 persons. In addition, the Penthouse Suite's rooftop terrace makes for an exquisite space for lunch or dinner cocktails, offering panoramic views of the city in an intimate setting. It's ideal for an intimate gathering.

You can ask the expert culinary team to craft a wedding menu, suited to your liking - from traditional French gastronomy to international favourites. The hotel's chef Charly Saliermo and his team can also whip up vegetarian fare upon request. The bar is an apt space for craft cocktails and unwinding with friends and family post the celebrations. Make this your luxe setting for a nightcap or two, once the wedding party is over.

Let Hotel Bowmann facilitate the wedding of your dreams in one of the most romantic cities in the world. With its world-class offerings and French spirit of hospitality, it makes for a unique wedding venue in the city of lights.
