About MAISON ALBAR HOTELS:

Maison Albar Hotels is a French 5-star boutique-hotel brand, created in 2014 by Jean-Bernard and Céline Falco (née Albar), the founders of Paris Inn Group. Passionately blending the know-how of a four-generation family of hotelkeepers and with the ambition to create a place with cultural imprint, the establishments of the Maison Albar Hotels family offer a new vision of elegance and the French art of hospitality. The Maison Albar Hotels brand inspires and is growing. The first hotel opened in Paris, and now they are developing in France and other countries of Europe. Within these walls, families, couples and business travellers all receive unique and memorable treatment, which can be rediscovered all around the world, again and again.
