2. BEAT THE BOX

It all begins with a mysterious video message in which a strange voice challenges the participants to a game. Each team is faced with a metal box. Inside is a series of locked cases containing a mystery to be unravelled. Teams must utilise each individual's different skills to uncover a series of mysteries and then finally collaborate with other teams to crack a code before the time runs out!

Ready to test your odds? This concept combines an evening full of gambling at the casino tables with a healthy team spirit. The teams will answer questions and trivia games about several subjects and prove their chances to a better guess at the tables. The croupiers bring your gambling knowledge to the next level under the supervision of the all seeing eye of Lady Fortuna.

☐ Black jack

21 is not only a beautiful age, it is also the dream number for this game. Choose your card wisely and count until you have more than 2 hands full. Don't hit the road Jack, but stay and 'hit me' with the right cards.

☐ Poker

Put on your pokerface en raise the bet! Who can bluff without blushing or stealing looks?

☐ Roulette

Red or black? When the ball spins slower and slower, the tension rises. In which numberbox will the ball stop? Who will be the winner? Are you lucky number 7?

4. VINI VEGAS, The Wine & Tasting Casino

This is a fun and interactive discovery, suitable for all, around various original games related to wine tasting. All table games are animated by sommeliers and passionate hosts. Vini Vegas recreates the exciting and prestigious Casino world in combination with wine, but also beer, juice, chocolates and cheeses. After blind tasting the wine and hints by the sommelier, you can guess the wine you have tasted by selecting the right response on the cards in front of you, and bet your Vini chips on this particular wine. Will you be right and bet on the right one? Let's find out...

8. WINE MAKING ACADEMY

Your company invested in a beautiful winery. They require your creative skills to work as a team so you can achieve making your own wine by assembling the six red grapes of your vineyard. After your wine is done, you design your own etiquette! Of course, your assembly type will define your marketing, business and financial strategies. In short, it will turn out as a real simulation as done in the wine business. In the end, after the presentation of each wine, all wines will be tasted blindly by all participants in order to conclude this unique wine experience. Surprises guarantees!

CREATIVE

1. PAINTING SPORT

Unleash the artist within and create a masterpiece. Turn the event venue into an artist's studio and have your employees make their own work of art. Groups of five people create original paintings on empty canvases, while an artist assists them along the way. All 'works of art' are varnished and framed to adorn your office walls. A great way to approach business theme light- heartedly.
