VIBRANCY MOMENTS

The dizzyingly large swimming pool invites you to relax and the endorphins kick in as soon as the music starts pulsing, while the juice bar offers a vitamin-packed break between cocktails, mocktails and detox smoothies.

Finally, the new rooftop, one of the only rooftop terraces in Saint-Tropez, has become the hot spot for our 'Before Parties', offering an open-air show at every sunset, accompanied by live music, shared dishes (by Moloko) and cocktails.

THE TERRACE OVER THE GULF

Our titanic terrace hosts breakfasts, lunches and dinners with a rare and breathtaking view of the Gulf.

THE ROOFTOP

Sunny during the day and lit by candles in the evening, the rooftop of the Kube Saint-Tropez reveals itself in an almost electrifying atmosphere, offering an open-air spectacle at every sunset.

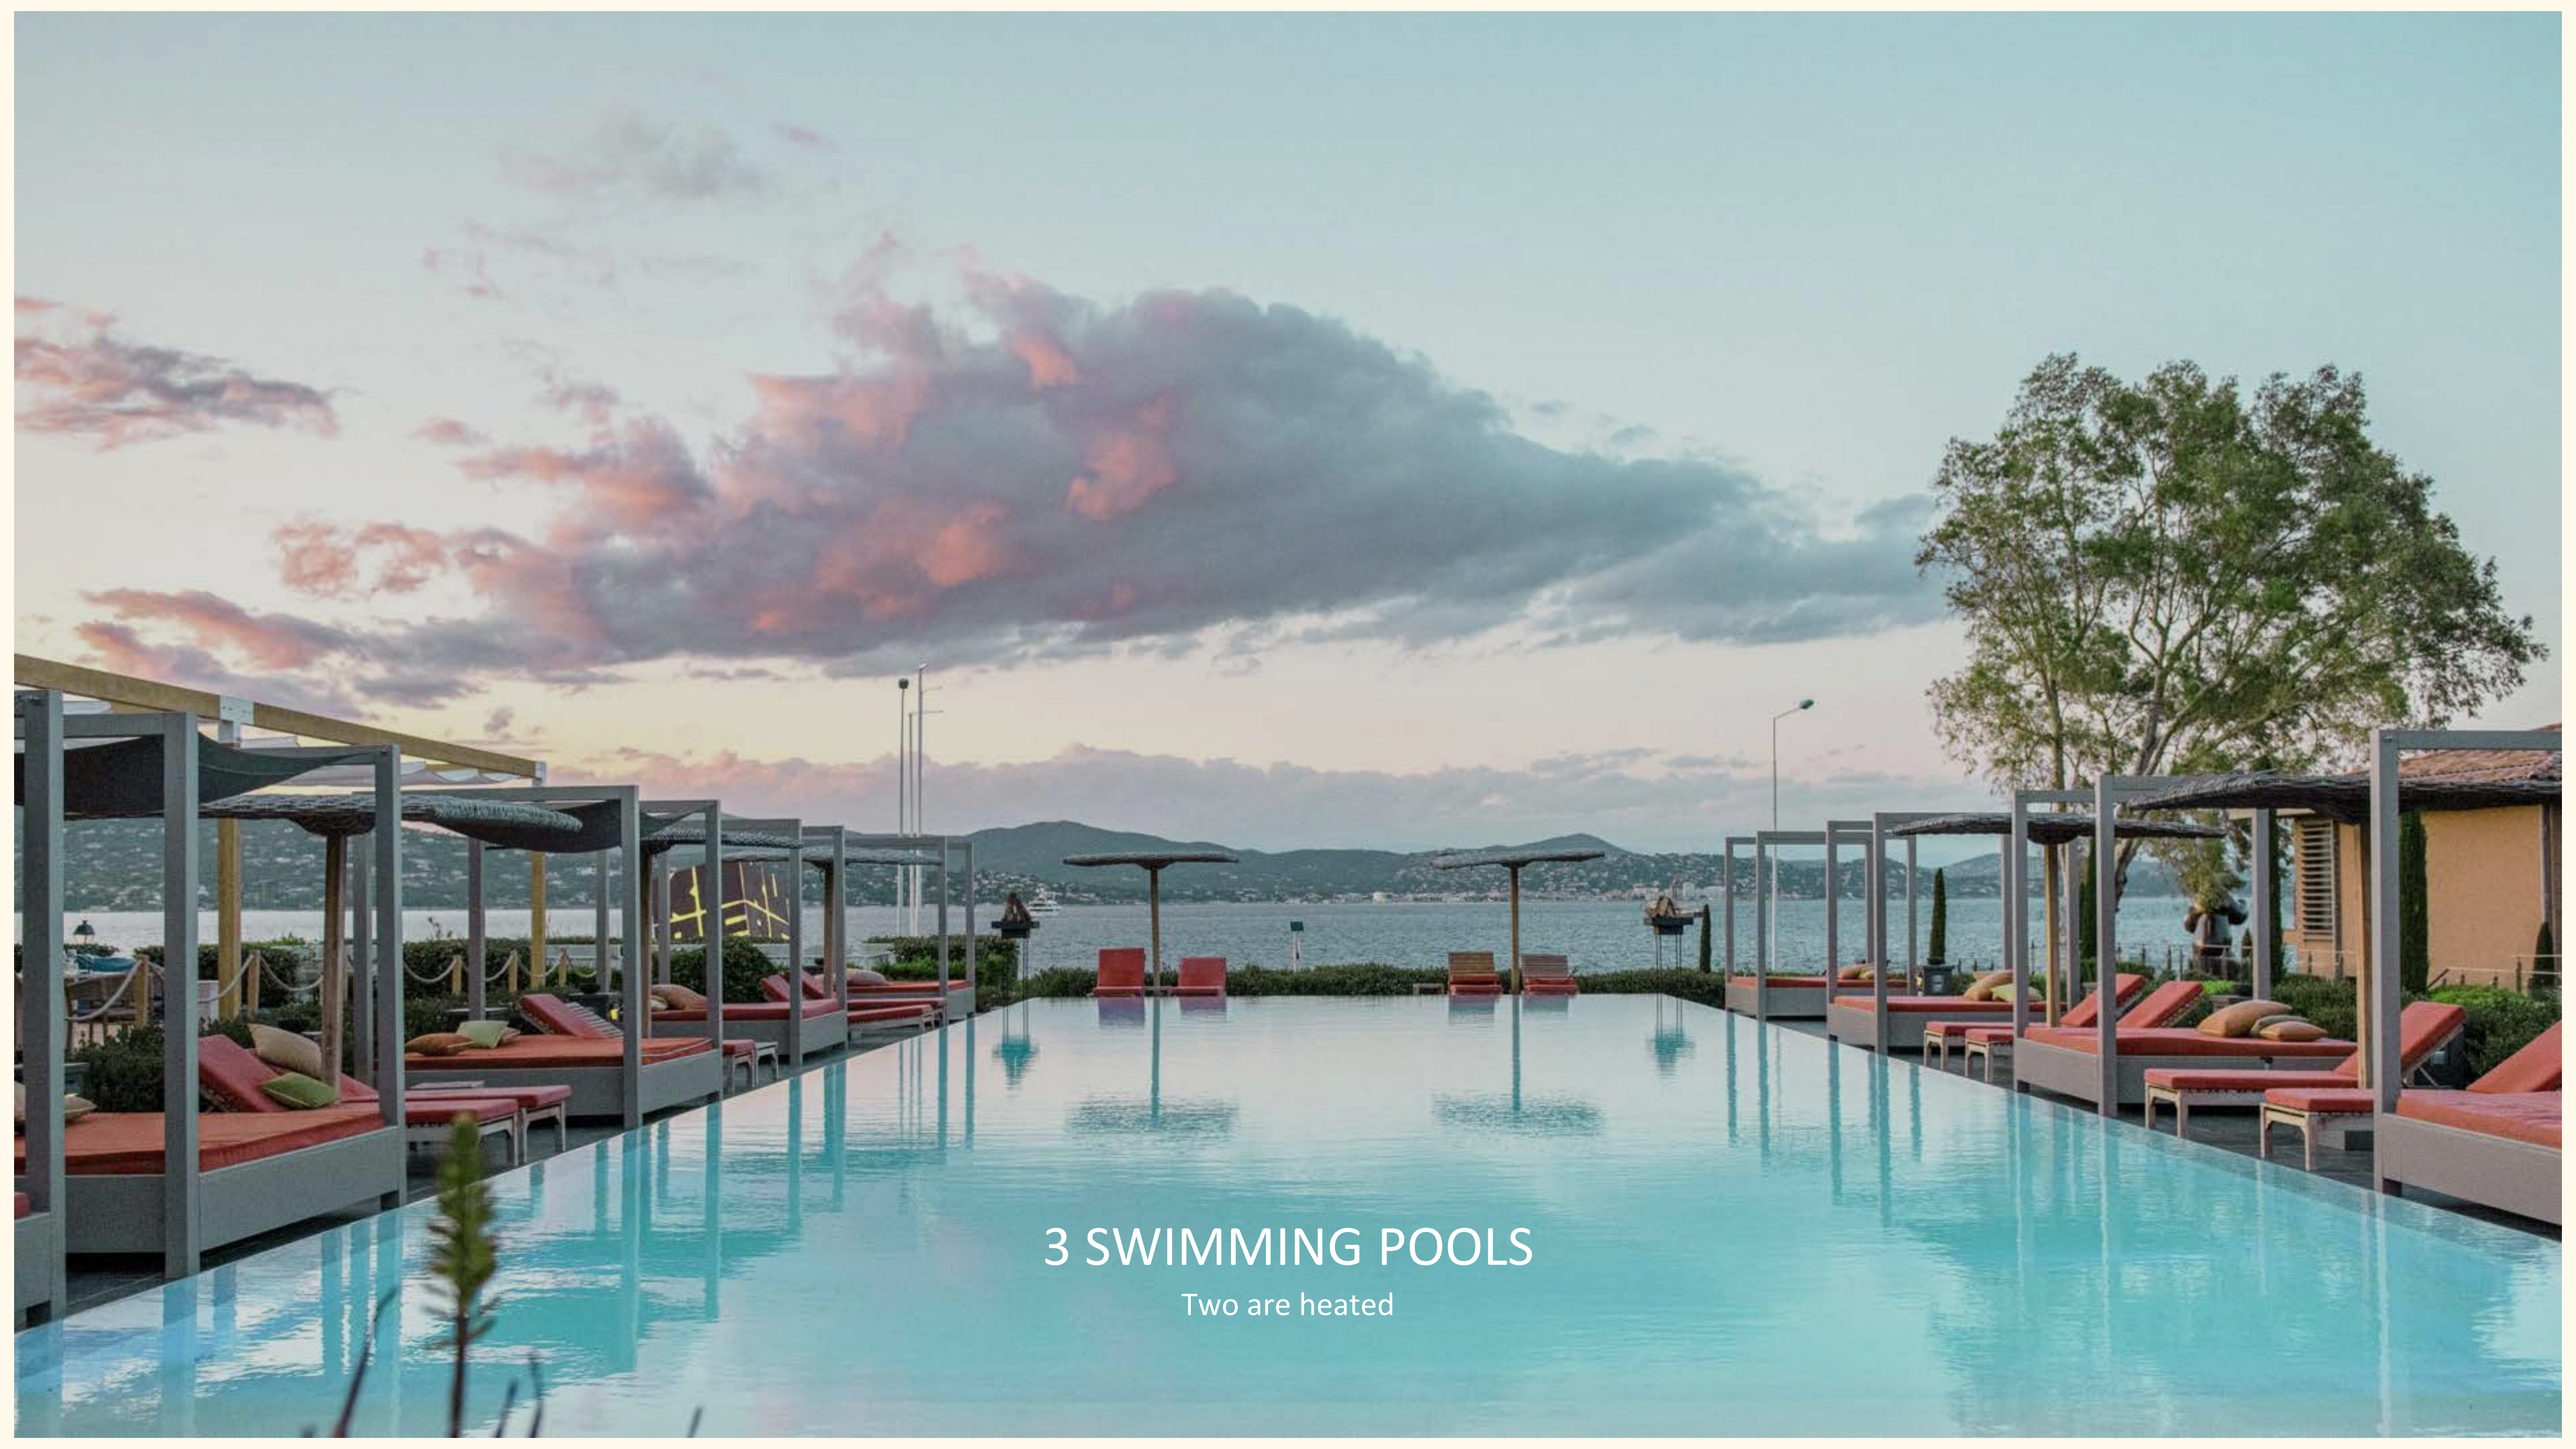

With its breathtaking view over the Gulf of Saint-Tropez the energy reaches new heights.

MOLOKO RESTAURANT

With its fusion of Asian and Mediterranean cuisine and signature cocktails with Japanese influences, Moloko is a place where different worlds meet.

With its breathtaking views over the Gulf of Saint-Tropez, Moloko is the place to be on the Côte d'Azur, whether on the terrace for lunch or on the rooftop for dinner.
