

TEMPTINGPLACES, THE FIRST HOTEL BRAND DEDICATED TO BOUTIQUE HOTELS, UNVEILS ITS NEW EXCEPTIONAL ADDRESSES

Since 2010, **TemptingPlaces** is the first hotel brand exclusively dedicated to exceptional boutique hotels around the world. These are more than 55 unique & independent hotels in 15 dream destinations, carefully selected for their authentic characters the excellence of their services and above all that offer rare and exceptional experiences.

Today, **TemptingPlaces** continues to amaze hedonistic travelers, unveiling special addresses and offering them an unforgettable experience...

HÔTEL DE POURTALÈS

A true work of art, **Hôtel de Pourtalès** offers a **new hotel experience** with its 11 luxuriously furnished Parisian apartments. More **confidential** than a hotel or a palace, it deploys **exclusive, comfortable** and **very private living spaces** away from the hustle and bustle of Paris. Built in the 19^e century at the request of the Count of Pourtalès, this **Hotel Particulier** draws its inspiration from the neo-renaissance style.

Private garden, butler, chauffeur and **private chef** or even a sports coach, everything is gathered to live a **unique experience** in complete serenity. The rare pearl? From its **rooftop**, the Signature Sky Penthouse Suite reveals an **incredible 360 view of the French capital**.

PARIS 8^e

DOMAINE DE ROCHEBOIS

In the heart of the **Périgord Noir** in the southwest of France, **Domaine de Rochebois** It displays a breathtaking view of the Dordogne valley making it an exclusive place. Composed of a magnificent XX^e century residence and two villas, the estate evolves in a **chic spirit where the charm of the old reigns**. Bordered by a 33-hectares private park, the **40 rooms and suites** offer an exceptional and soothing setting thanks to their **private terraces** and their breathtaking view of nature and the **golf course** that borders the Dordogne valley.

Chef Jean-Philippe Vecco, a 2021 Michelin-starred chef, welcomes epicureans to his **elegant and confidential restaurant**, Le M de Rochebois, with its creative and refined local cuisine. **For a moment of relaxation**, travelers can unwind in the majestic **Spa Rochebois by Nuxe**.

DORDOGNE

MIDMOST HOTEL

Like an **urban oasis**, **Midmost Hotel** immerses its guests in the authentic **Barcelona**. Its location is ideal to discover the cosmopolitan capital of the Spanish region of Catalonia and its emblematic places. **Located in the heart of the old city** and a 10-minute walk from the historic monuments, this prestigious boutique hotel is halfway between **Plaça de Catalunya** and the famous **Ramblas**. The charm of this Catalan establishment begins with its 20th century building with columns, moldings, high ceilings and period balconies.

The **interior design** recalls the **Mediterranean** and "coastal city" side of Barcelona with a play of colors between white and **shades of blue**. With refined interiors in soft and subtle colors, the hotel has 56 rooms and suites with a **beautiful light** and a **particularly careful decoration** that mixes the modern style with the traditional Barcelona style. The **rooftop with swimming pool, bar** and restaurant with **Mediterranean flavors** completes the offer of this true haven of peace.

BARCELONA

ES RACÓ D'ARTÀ

The domain **Es Racó d'Artà** is a **unique and spiritual concept** to be close to nature and its universal luxury. This prestigious place houses 34 rooms and suites, adjacent to the **nature reserve of Llevant Mallorquin** : a luxury to recharge your batteries during a stay filled with **plenitude a few kilometers from the authentic town of Artà**. In this quiet and peaceful environment, the establishment offers its guests the opportunity to **connect with nature** and **transport them beyond well-being**. Indoor pool, Jacuzzi, sauna, Turkish bath and relaxation area, meditation space... **Es Racó d'Arta transforms each room into a unique experience** where the notion of time and space disappears, giving way to a single necessity: to **take care of your body and recharge your spirit**. From watsu initiation to yoga classes, this unique place also promises a **gastronomic experience** that respects seasonal fruits and vegetables, discovering traditional and balanced flavors.

MAJORCA

LODGE DES TERRES BLANCHES

Nestled in a lemur reserve on the northwest coast of **Madagascar**, **Lodge des Terres Blanches** is accessible only by boat or private plane. This boutique hotel is one of the most **intimate, quiet** and **authentic** hotels on the island.

On the spot, no lobby, no classic reception. Fleur & Eric, the owners of this haven of peace, receive their guests personally as « **friends of the house** ». They welcome them by sharing the story of their island life before guiding them to one of the **10 beautiful lodges built entirely of mangrove wood** and rosewood. It is also the perfect place to observe the **rich fauna of Madagascar** in its natural environment where the luckiest guests will be able to meet in complete freedom the **emblematic primates of the island** as well as numerous birds. **A private plane ride** to fly over this green nature or **a tasting by the Chef** of the restaurant of **the fish caught the same morning**, it promises an unforgettable vacation!

MADAGASCAR

Between volcano and ocean, **EcoHotel El Agua** is a **new holistic health place** that invigorates body and mind in a peaceful atmosphere of **minimalist design**. Nestled in the beautiful subtropical valleys of **southern Tenerife** near the historic village of Arico El Nuevo, Eco Hotel El Agua is surrounded by **exquisite nature, tropical gardens** and shaded terraces.

This new concept promotes **naturopathy**, the **Hippocratic medicine** centered on the full awareness of the five senses and **self-healing** in a natural and harmonious environment. The place is ideal to discover **the benefits of manual, breathing and relaxation techniques**, such as **yoga, watsu** (a form of shiatsu in hot water) or **ice bathing**.

This unusual place plays the "wabi-sabi" card with **natural materials** and **soft textures** in the colors of water, sand and earth. A true **cocoon of serenity**, Villa Olivo offers several exclusively designed rooms, a terrace, a jacuzzi and a **heated salt water overflow pool**.

TENERIFE

WAYA À DOMAINE SAINT DOMINGUE

It is in the **splendid countryside of Narbonne** near the **beaches of the Mediterranean and the Pyrenees** that the **WAYA, "Welcome As You Are" à Domaine Saint-Domingue**.

Jan and Cynthia, both originally from the Netherlands, came to France to make their dream come true and **share their passion for yoga, meditation and personal development** in general. Committed to **minimizing their impact on the environment** and working as close to nature as possible, they demonstrate, through their **luxurious property**, that it is possible to make no concessions to **live while respecting one's natural surroundings**.

Located on a **former wine estate** and surrounded by **12-hectares of perfectly manicured gardens**, WAYA offers several **dining options**, such as fresh and tasty **BOCO meals** prepared by **top chefs using local produce**, or dishes from the estate's private chef.

This domain, **reserved for adults**, is the ideal place to **relax and escape from everyday life**.
