Dear guests,

Dear guests, At the Hotel Mayfair Paris, we are striving to play our role in operating environmental sensitive practices for a better sustainable development. Wherever possible, our aim is to reduce, reuse and recycle without compromising your comfort. Please find below some environmental actions we take, some of them, with your help.

Organic fruits based bathroom room amenities

We have the pleasure to welcome you with organic fruits cosmetics in your bathroom.

Wood pencils

The wood used for pencils we provide to you is from sustainably managed forests.

Towels

For those of you who wish to reuse their towels, please hang them up to the heater or to the towel rack after use. Only towels left on the floor will be replaced.

Linen

For those of you who wish to keep the linen (bed sheets and pillowcases) more than one day, please place the card provided for this purpose on top of the bed before you leave the room.

Energy saving lamps

95% of the total number of lamps we use are energy saving lamps.

Motion detectors

When possible, we installed motion detectors in the common spaces.

Air conditioning

The air conditioning system is compliant with European environmental regulations. Please note that we disable the air conditioning out of summer season.
