THE HOTEL

Located close to The Loire valley Castles, this 15th and 17th century residence is surrounded by a 23-hectare park where century-old trees stand alongside rows of roses.

The care taken in decorating the rooms and lounges, combining antique furniture and contemporary touches, contributes to an unforgettable stay in Anjou.

The many leisure activities of this charming and intimate hotel will satisfy both young and elderly. A unique experience between a natural swimming pool treated with plants, bicycles to ride along the banks of the Loire, tennis, canoes, pétanque, trampoline, and other surprises..

The place is also a haven of peace that invites you to relax and unwind thanks to its wellness area (Jacuzzi, hammam, fitness) and the Douces Angevines Spa.

Also, the authentic Franco-Italian cuisine of the restaurant L'Orangerie focuses on fresh, local and seasonal products, using as many fruits and vegetables from the Château's permaculture garden as possible.

« Here we take care of you by taking care of our environment to become the hotel of tomorrow, respectful of nature, advocating values of respect, generosity and benevolence. »
