**DISCOVER A NEW « HOTEL RENOVATION »
CONCEPT : A NEW IMMERSIVE AND HYBRID
PLACE IN THE HEART OF THE RUE SAINT-
HONORÉ NEIGHBORHOOD !**

Dating back to 1877, Normandy Hotel perfectly embodies the spirit of a «Grand Parisien Hotel». The renovation program has kicked off in 2019, simultaneously bringing to life a hybrid concept : "Normandy Le Chantier". During the 4 years of renovation, the hotel lends its walls to «architects» and «landlords» (represented by hotel staff), «construction workers» (hotel guests and the actual hotel construction workers) and «designers» (our community of artists), each bringing you aspects of this immersive experience where each and every person can leave their mark. Everyone can contribute, hand in hand, to the birth of this grand new Machefert Group hotel.

An incredible, never-before-seen hotel experience is waiting for you in the heart of the City of Lights, between the Opéra Garnier, the Louvre Museum and the Tuileries gardens.

BEGIN EVERY MORNING WITH A FRESH OUTLOOK

Discover our new rooms and suites, refurbished with a 5* standard. Contemporary style, minimalist bathrooms and high-quality contemporary furniture make the charm of these rooms, all of which with a breathtaking view over the Louvre or the mythical rue Saint-Honoré.

TREAT YOURSELF

EL VECINO

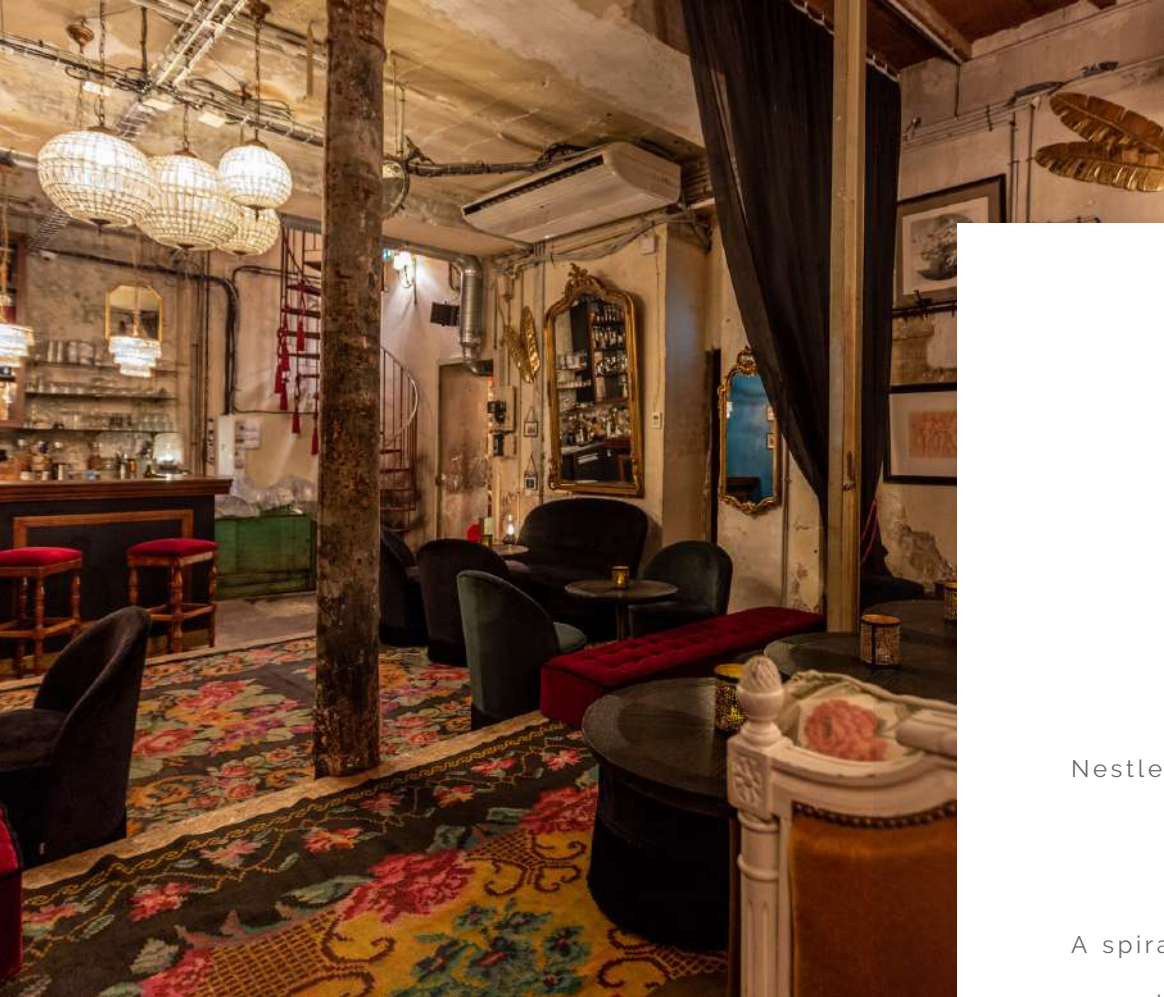

Normandy Le Chantier concept also includes a new authentic taquería called **EL VECINO Saint-Honoré**. On the menu: 100% homemade gourmet tacos inspired by traditional Mexican street food recipes but also quesadillas and other Mexican specialties that you can enjoy in a cosy and friendly atmosphere.

After this culinary journey in Mexico, we come back to France with **BUCKWHEAT - LA CRÉPERIE** which offers you a menu centered on «Made in Normandy» products to twist one of the pillars of French gastronomy: the crepe.

On the menu: starters to share, gourmet salads, buckwheat flour pancakes garnished with ingredients carefully selected from local producers. And for food lovers a selection of sweet treats to top it off. For drink, you can sip the best of Norman beverages with a selection of ciders, draft beers, soft drinks and some typical liqueurs of Normandy.

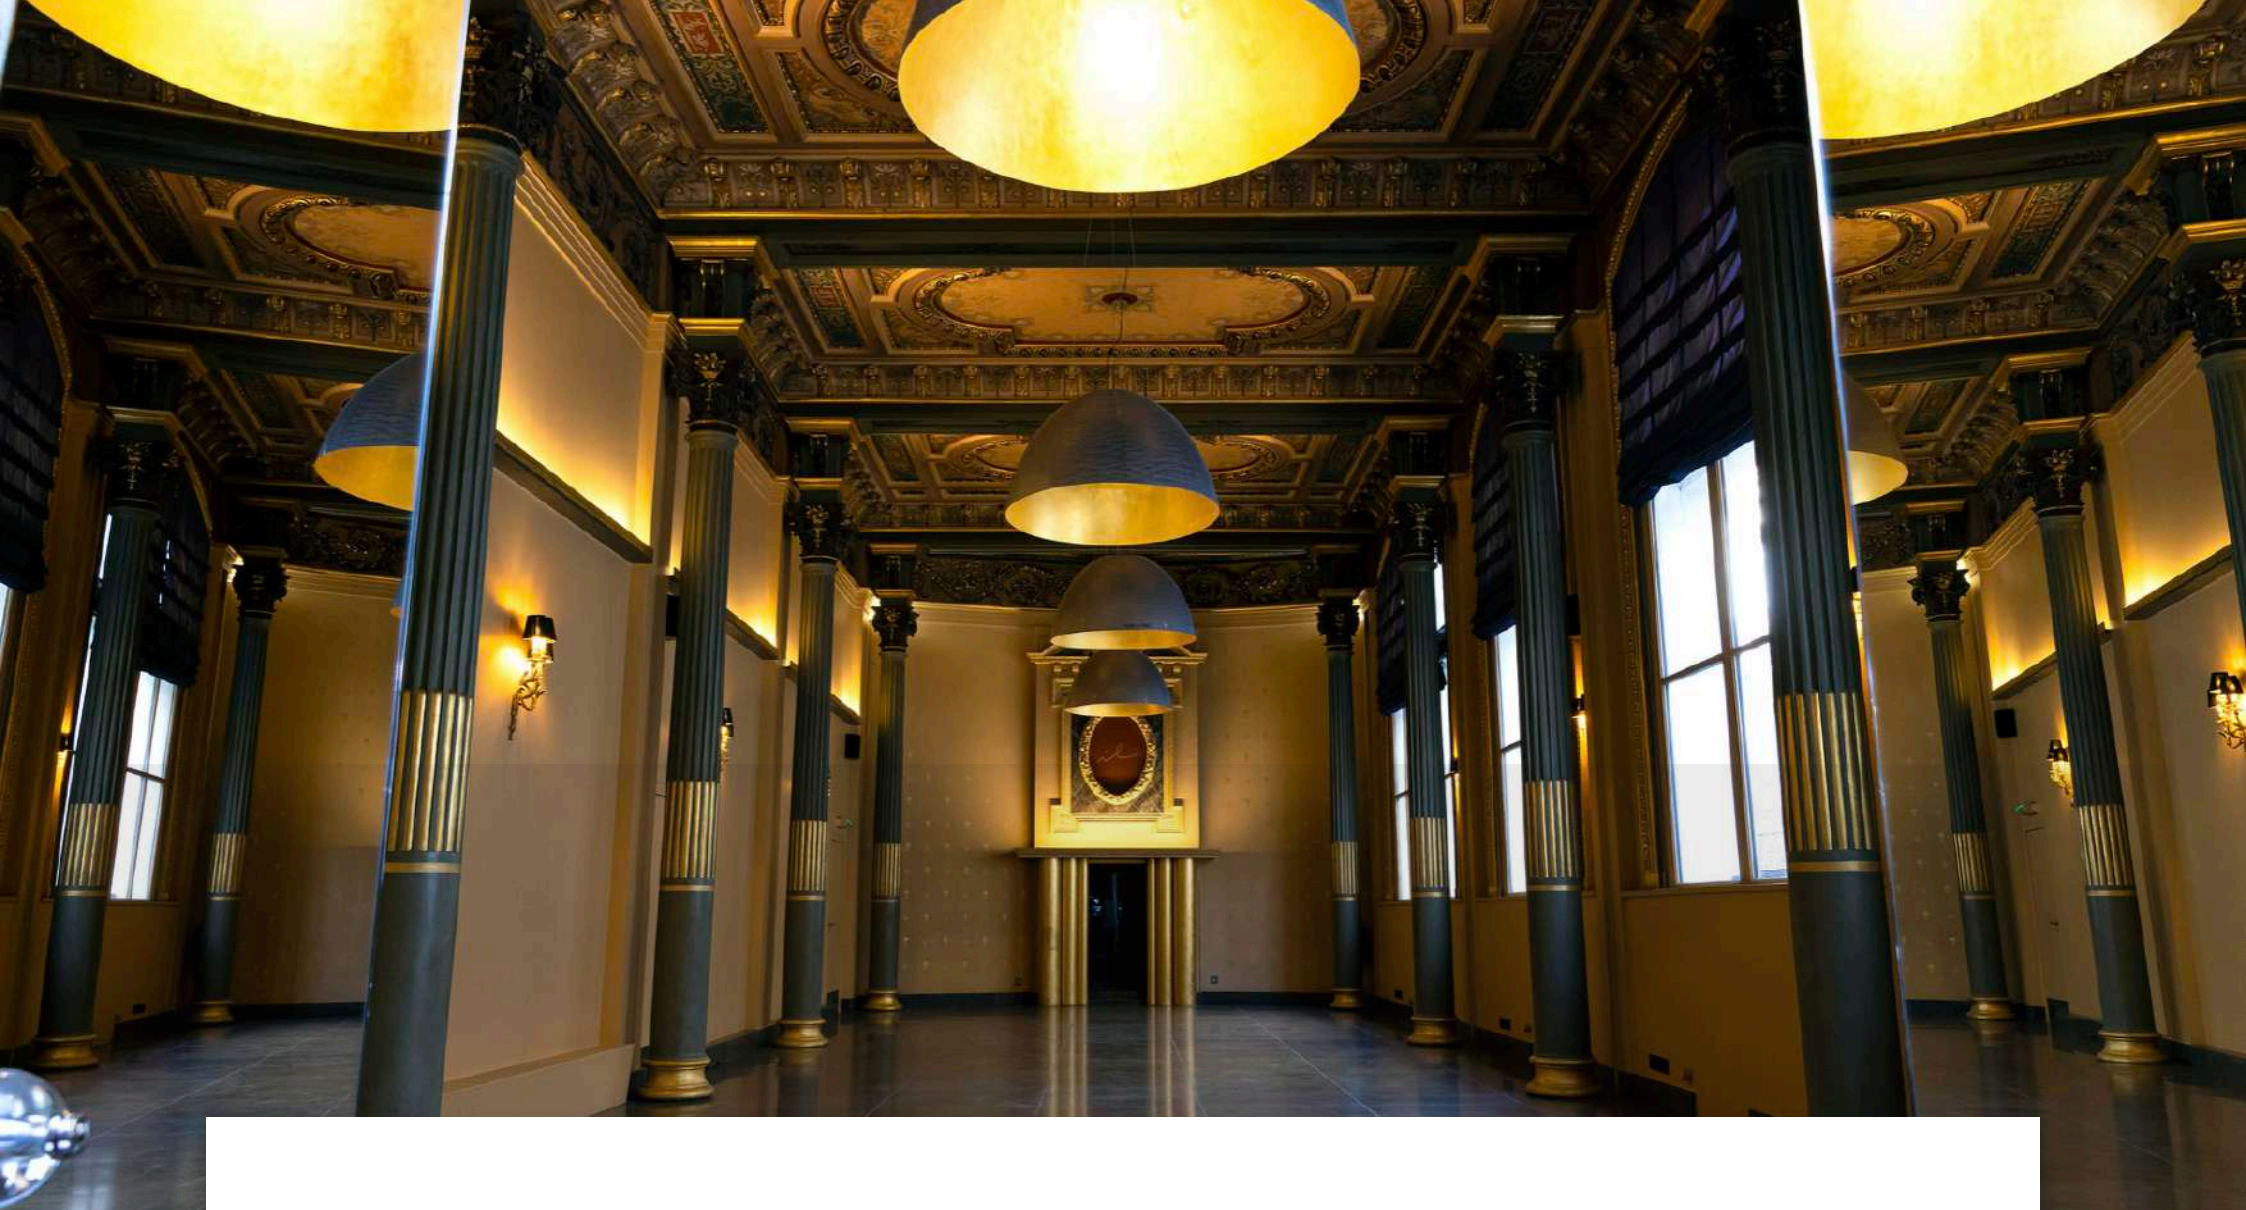

RELAX AT REHAB

Nestled in the basements of the hotel, REHAB is the new favorite hotspot for cocktails lovers.

A spiral metal staircase hidden behind a mirror door, will lead you directly to a mysterious room with an elegant decoration.

REHAB is both a boudoir with a Belle-Epoque style where we come to find intimacy and affinity, and also an apothecary backroom full of miraculous elixirs which promise you a pure moment of relaxation, disconnection and harmony...
